PRINCIPAL'S MESSAGE: The Positive Behaviour Support (PBS) program team have been working hard implementing a positive behaviour program throughout the school. This team meets after school every second week and has already developed the school's four positive behaviours and a matrix of what these behaviours look like in different areas of the school. The team has also renamed the program from PBS to **Team Takari**. Thank you to Mrs Praetz who has printed the four behaviours on to staff duty vests and to Miss Jones who has developed four characters based on the four behaviours. They look fantastic and will now be seen throughout the school.

YR 3 BOOK WEEK ASSEMBLY: Congratulations to Mrs Stark, Mrs Donis and all the Yr 3 students on an outstanding assembly this morning. The students recited a poem about the secret power of reading and sang the song *Feed Your Imagination*, with great confidence. The students all looked fabulous in their costumes and everyone enjoyed the parade. Mr Michael, the Local Member for Balcatta, attended the assembly and presented the school with the book *Here Comes Stinkbug*. Have a look at the amazing costumes in this newsletter.

UNIFORM COMMITTEE: Recent feedback on the School Uniform Policy indicates parents are generally happy with the current school uniform and policy. With the recent change of supplier, there is an opportunity to make minor changes to the policy, and the School Council is keen to look at the possibility of including a long sleeve polo shirt to the uniform range and changing the track pants and jacket. **We are looking for parents who would like to work on a committee** with the school and P&C to look at these changes to the uniform policy. They would investigate options with the supplier and present findings and recommendations to the School Council. Please contact the front office or the P&C if you can assist by being a part of this uniform committee.

TRIPLE P POSITIVE PARENTING PROGRAM AT TAKARI: Takari is offering parents a series of Triple P Positive Parenting Program seminars, which will be run at the school over the second half of the year. Triple P is a parenting program that helps make raising kids easier. It gives you tips and ideas to help raise happy and confident kids; see more of the behaviours you like and less of the ones you don't; and have better relationships with your family. Expressions of interest forms for the Triple P program were distributed to students last week. These forms need to be returned by Monday 26 August.

Happy
Father's Day

P&C FATHER'S DAY STALL: The P&C is operating its very popular Father's Day stall next Tuesday 27 August. This is the children's chance to buy something special for their fathers. Gifts are priced from \$2.00 to \$10.00. Classes will be brought out to visit the stall in the morning, with left over gifts being available for purchase at recess. Thank you to the wonderful parents who have volunteered to assist at the stall next Tuesday.

BSHS ART COMPETITION: Congratulations to all the Yr 6 students who entered art pieces in the Balcatta SHS Art Competition, which saw students from the five local primary schools submit self portraits. Isaiah A, Sofija N and Diti P won awards at a special presentation last week. We have some very talented artists at Takari!

GOING FOR GOLD: Students in Yr 4 to Yr 6 will be participating in the Going for Gold program this coming Monday afternoon. Students will try to get personal best times, distances and points in a number of athletic events. Mr Patterson is still looking for parents to assist on the day. The program runs from 11.20am to 3.00pm. Please contact Mr Patterson at craig.patterson@education.wa.edu.au or let the school know if you can assist.

FACTION ATHLETICS CARNIVAL: The Faction Athletics Carnival will be held in Week Seven, Friday 6 September. Kindy to Year 6 will be involved. A separate note with more details will go out to all students next week.

SCIENCE WEEK: Takari will be celebrating Science Week next week, with our resident Mad Scientist Mummy, Dr Rina Wong. She will be conducting experiments with the Kindy and Pre Primary classes, with assistance from her colleagues from Edith Cowan University. It should be an awesome week!

K & PP HOSPITAL INCURSION: Last Tuesday, Nurse Clare from Perth Children's Hospital paid the Kindy and Pre-Primary students a visit. She arrived with crutches, wheelchairs, face masks and name bands to show students what to expect if they ever were admitted into hospital.

Nurse Clare even gave the children some great advice on how to act if they were to receive an injection. Look at mum or dad and make sure you don't look at the needle. It might sting for a short time, but it's like a mosquito bite. The incursion was a great way to take the fear out of going to hospital.

TEAM TAKARI

This term our school community has been focusing on our school behaviour value of *“doing your personal best.”* Striving to be the best you can be can be a difficult thing to do. It takes practice, perseverance and a desire to improve and get better.

Next Monday, students in Years 4-6 will be taking part in our annual “Going for Gold” event. This is a great opportunity for students to show their personal best and to push through with those activities that they may find challenging. “Going for Gold” allows students to set themselves a target and to work towards it – giving them the chance to compete with themselves rather than with each other. Imagine the feeling of getting through the challenges. It’s a great sense of achievement and something to be proud of. So let’s see everyone dig deep on Monday and show their **personal best** out on the sports field.

FATHER'S DAY STALL NEXT TUESDAY 27 AUGUST

We have a ton of great Father's Day presents for your kids to purchase ready for Father's Day on the 1 September. Students will be given a chance to come to the stall in the morning before recess. Gifts range in price from \$2 to \$10, so please give your child some cash if you want them to get Father's Day all sorted. There is a post on the Facebook page. If you are free to help on Tuesday morning please post there to say you are free, or come along and meet us at the old canteen behind the front office to help.

TAKARI COLOUR RUN FRIDAY 27 SEPTEMBER

This year, as something different for our major fundraiser, we are organising the first ever **TAKARI COLOUR RUN** on Friday 27 September (last day of term 3). We are looking to raise money for more equipment in the nature playground by the end of 2019. **Only students will be able to run in this event.** The great news is we have a professional photographer coming to take plenty of photos of this fabulous first for Takari. This frees you up to help out if you still want to be a part of this amazing event. We really need your help to make this event happen.

With this newsletter there will be a School Fun Run Sponsorship form detailing some of the prizes. It includes how to sign up for fundraising but also the rewards your child may get for fundraising for Takari.... This one is win win! Each child who raises even \$1 online, is entered into an “Ultimate Family Experience” worth \$20K!!

The **TAKARI COLOUR RUN** is a healthy fundraiser that we hope you can all get behind. I would like to thank those parents that have already volunteered to help out with the run. But we are still looking for more volunteers so if you haven't already, please fill in the form and send to the office and come be a part of this awesome event, that I am sure will be remembered for years to come.
