

PRINCIPAL'S MESSAGE: With just three weeks to go before the end of the school year, staff and students are busy finishing off reports, and preparing for orientations, the end of year concert and the graduation assembly. The school will also be undertaking a Public School Review (PSR) in week nine. In preparation for the review, the school has gathered evidence on six domains; Relationships and Partnerships, Quality Teaching, Learning Environment, Leadership, Student Achievement and Progress, and Use of Resources. An independent review panel will visit the school on Thursday 10 December to meet with key school and community members to discuss the judgements the school has made against the six domains. Thank you to the members of the School Council, P&C and 50th Anniversary Committee who have accepted an invitation to meet with the review panel.

The school is currently planning for 2021. The final class structure is dependent on the number of students in each year. While straight year level classes are mostly preferred over composite classes, they are not always possible to create without going over maximum student numbers in classes. This was the case with the Pre Primary and Year 2 classes this year. Composite classes also allow for greater flexibility when grouping students based on academic and social needs. This year's two Yr 3/4 classes is an example of how composite classes can deliver more balanced and cohesive classrooms over straight classes.

With an expected student enrolment of 185 students, the school is planning to operate the following structure:
 K (20 students) PP (24) Yr 1 (22) Yr 1/2 (21) Yr 2/3 (22) Yr 3/4 (22) Yr 4/5 (27) Yr 5/6 (27)

It is important to note that this structure is based on expected enrolments now. Additional enrolments coming in between now and the start of next year, or students leaving the school, could affect this structure. School staff will be developing class lists based on the above structure. The staff are in the best position to develop the classes and determine which class would most suit students. Academic ability is not a determining factor when staff develop class lists.

Parents may have additional information that may assist staff in determining class lists. If parents have any information or requests regarding their child's class next year, they should provide this in writing to Mr Tennant by next Wednesday 2 December. All requests will be considered, but can not be guaranteed. Teachers have not yet been allocated to classes.

David Tennant

STUDENTS NOT RETURNING NEXT YEAR: It is important the school has accurate information for future planning. Please contact the school as soon as possible if your child/ren will not be attending Takari PS in 2021.

2021 VOLUNTARY CONTRIBUTIONS, CHARGES AND BOOKLIST: THE 2021 Voluntary Contributions, Charges and Requirements Lists (Booklists) have been endorsed by the School Council.

- Voluntary Contributions are \$60 per child, maximum \$120 for a family. Pay before the end of term one next year and be in a draw to have your contribution fully refunded.
- The Charges schedule represents the maximum cost of optional extras and activities.

The Voluntary Contributions, Charges and Booklists were distributed last week. You are able to order online and have deliveries to your home or you can use any supplier, but the school strongly recommends all items are purchased from West School Supplies. Many items from this year can be saved and used again next year e.g. headphones, USB, ruler, protractor etc if they are in good condition.

PARENTS ARE WELCOME TO MAKE PAYMENTS IN ADVANCE FOR CONTRIBUTIONS AND CHARGES for example \$50 lump sum and/or \$5 weekly. These funds will be kept as a credit for your child and allocated to any expenses. This will require permission from you on the return slip.

TEAM TAKARI

For the rest of this term, our school focus will be on the value of **Personal Best**.

When can show our personal best by striving to achieve and always looking for ways to improve. It involves having a growth mindset and competing against ourselves rather than against others.

In class, we are revising our Team Takari lesson '**we are whole body listeners**'.

When I show whole body listening:

- My body is facing the person talking
- My eyes are looking
- My ears are listening
- My hands and feet are still
- My brain is thinking about what is being said
- My heart is caring about what is being said

Personal Best

During the next few weeks, students will be focussing on and practising this important life skill.

Alan, the Traffic Warden at Jones Street will be on site to the end of the year. We had incorrect information.

Great idea for parents to park near the Jones St Reserve and students cross at the crosswalk before and after school.

Many families often stay to play and enjoy each others' company.
