## NEWSLETTER #9

Week 9

Term 2

Thursday 17 June 2021

**PRINCIPAL'S MESSAGE:** Thank you to all the parents and school community members who took the time to acknowledge our wonderful staff by submitting acknowledgement cards for the 2021 WA Education Awards. Over thirty cards were received, which is a great reflection on the quality of staff we have at Takari. All staff who were acknowledged will receive a letter of congratulations from Mr Fu, School Council Chair and Ms Praetz, P&C President. Mr Fu and Ms Praetz will also meet to determine if, and how many, formal nominations for the WA Education Awards are made.

Thank you also to Dr Rina, who presented her 'Mickey Mouse Molecule' Little Scientists workshop to all the Year 1 to 3 students last week. Everyone had so much fun (see the photos over the page) and learnt a lot about science. Students dressed up in lab coats and conducted a number of hands-on activities and experiments. We are very fortunate to have Dr Rina support Takari with these workshops again this year. Dr Rina will present more science workshops to the K, PP and Year 4 to 6 students in the first week back next term. Everyone is very excited!

## A Mickey Mouse Molecule" (Year 1 – Year 3) Thursday 11 June

Takari Years 1, 2 and 3 transformed into Little Scientists and had a blast with Dr Rina through songs, observations and hands-on experiments using real laboratory equipment.

Using our brains and senses, together we thought, observed and inquired around our H<sub>2</sub>O theme. In our interactive workshop, we learnt about our human body (from the microscopic to the macroscopic), states of matter and reactions with real-world implications towards reducing waste and a more sustainable future. We had a blast!

# Takari Cross Country

The annual Faction Cross Country was held on Friday 15 June, at Takari Primary School. There were many excellent efforts and it was great to see students striving to do their best. It was evident that many of those students who have regularly attended Run Club this year had the fitness to perform in their races. Thank you to all staff and parents who assisted on the day.
