

**NEWSLETTER #10**

**Week 11**

**Term 2**

**Thursday 1 July 2021**

**PRINCIPAL'S MESSAGE:** It has certainly been a very different end to the term. The week long COVID-19 lockdown announced on Monday has had a significant impact at Takari, as well as across the Perth and Peel regions. Many families have chosen to keep their children at home, with today's attendance being just 66%. Through everything, the support the school has received from parents and the community during the week has been fantastic. No one enjoys wearing masks and it is frustrating to be restricted to our homes and places of work, but everyone has come together as a whole community to support each other. We all hope that the lockdown will be lifted this weekend and everyone can enjoy their well earned two week break.

*David Tennant*

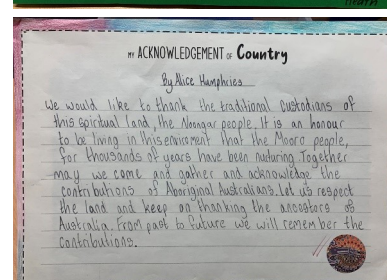

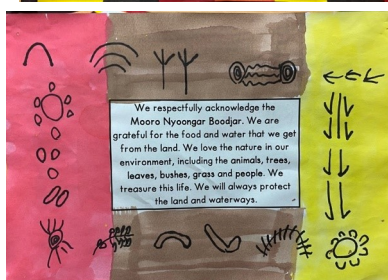

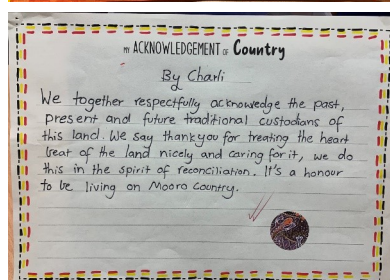

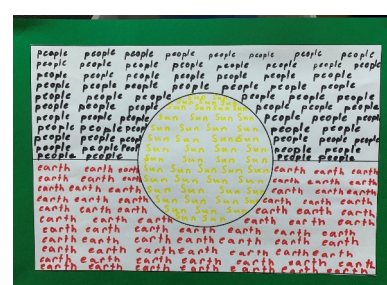

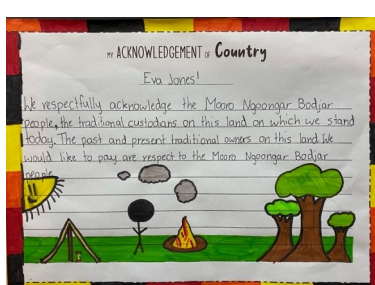

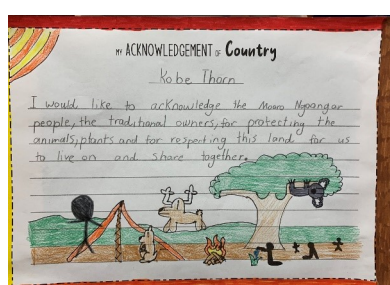

**THANK YOU AND GOOD LUCK:** The school community says farewell to Mrs Humphries, who has done a fantastic job covering in the Yr 3/4 class while Mrs Stark is on leave. We also say best wishes to cleaners Da and Lawan, who are moving on to other schools next term. Good luck to all of you.

Next term, Mrs Williams will be taking long service leave in the first three weeks. Mrs Provan will be covering in the Yr 1 class while Mrs Williams is away. Mrs Fleming is also taking long service leave. Miss Goodwin will be covering in the Pre-Primary in the first week back. Happy holidays to Mrs Williams and Mrs Fleming!

**NAIDOC WEEK AT TAKARI PS**

This week is NAIDOC Week. This is an opportunity for all Australians to come together to celebrate the rich history, diverse cultures and achievements of Aboriginal and Torres Strait Islander peoples as the oldest continuing cultures on the planet. The NAIDOC 2021 theme – Heal Country! – calls for all of us to continue to seek greater protections for our lands, our waters, our sacred sites and our cultural heritage from exploitation, desecration, and destruction.

Takari has celebrated NAIDOC week with our buddy classes creating and sharing our personal Acknowledgements of Country. We also worked collaboratively to create murals of native Australian animals. Keep a look out for them displayed around our school next term.

**SEMESTER ONE REPORTS:** The reports will be emailed by the end of term. Please note the link to the individual reports is only valid for four weeks. It is advisable to download and/or print the reports for future reference. Any queries about the semester one report, please see your child's teacher.

**PLEASE NOTE:**

Monday 19 July is a School Development Day, students do not attend  
 Students return to school on Tuesday 20 July 2021  
 Have a happy and safe term break from all the Takari Primary School Staff

# RUN CLUB UPDATE

Run Club operates for all students and parents every Tuesday and Friday morning between 8:00am and 8:30am. If parents ran last year, you will find your own QR Code card in the black box in the undercover area. If not, grab a Parent spare card, write your name on the back and a card will be made up for you later. Make sure you get to school a few minutes early so you can collect your scan cards and are ready to run at 8.00am.

Parent supervision of Kindergarten and Pre-Primary students is required.

## Takari P&C

The P&C members wish all of the Takari Primary School families a very safe and good school holidays.

The next P&C meeting is on Tuesday 27 July, week 2. We would love to see you all there.

Kelly Praetz  
P&C President

# COMING TO A SCIENCE LAB NEAR YOU SOON!

**"Science Bugs"** (Kindy - PP) 21 July  
An interactive workshop for toddlers and kinders to be engaged and inspired about the fascinating world of science with award winning scientist and educator Dr Rina Fu.  
There will be a game, live performance with sing-along of "I'm a Little Scientist" plus children will get hands on looking at bugs and transform into little scientists performing experiments using real lab equipment!

## **"Science Blast"** (Year 4 – 6) 22 July

Recruiting Budding Scientists to join Dr Rina in an interactive workshop learning about space science and embark on a special mission. Get ready to blast off as we race sky-high with our knowledge on gravity, forces and the chemistry behind propulsion. (NOTE: Please bring Your Own 1.25L Plastic Coke Bottles. Scientists will be teamed up in pairs, so make sure you have the same type of bottles)

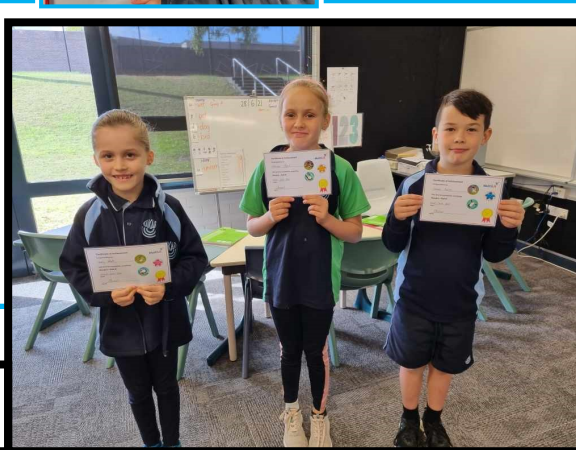

## Science News

There has been a whole lot going on in Science over the last couple of weeks!

- Pre primary have been dissolving "moon rocks" and making rainbows with bicarb soda.
- Year 1/2 have made some fabulous water saving posters and they also made rainbows with bicarb and food colouring.
- The Year 2/3 and 3/4 classes studied rocks and tested the absorbency of 3 different soil types.
- The Year 4/5 and 5/6 classes have been simulating flood situations, they have built houses with and without stilts and tested them by making it "rain".

All classes have been learning how to program some of our fabulous robots. The Edisons, Dot and Dash and Bee Bots have been allowed out of the science cupboard this term.

Next term will be all about Chemistry and some more exciting Lego and STEM challenges! Stay-tuned for more Science room fun!

**Congratulations to Connor, Mackenzie & Emily , who have finished Part B in MacqLit.**

## INTERSCHOOL CROSS COUNTRY

Many thanks to everyone who supported this event in idea weather conditions.

To those who came forward and helped in any way, sincere thanks. A special thanks to Ms Lamorte and Mrs Dalkin for scoring the carnival and Mr and Mrs Jolakoski manning check points. Students gave their best and it was particularly pleasing to see those who have trained hard at Run Club give very good performances at Interschool.

### RESULTS:

Overall	Position
East Hamersley	1
Balcatta	2
Takari	3
Lake Monger	4
Osborne	5

Most Improved School was also East Hamersley

### TAKARI PLACE GETTERS:

Year 4 Girls	4th Kira O
Year 6 Girls	1 <sup>st</sup> Charli P
Year 6 Girls	3 <sup>rd</sup> Alexys H

## Interschool Cross Country Friday 25 June

## Community Notices

UWA Kids Holiday Program

School holiday fun for kids aged 4 to 12 years at UWA

### Winter Kids Holiday Program: Monday 5 July–Friday 16 July Program Structure

- Daily \$72 per child
- All sessions run from 9am to 4pm
- Drop off: 8–9am @ UWA Recreation and Fitness Centre  
Pick up: 4–5.30pm @ UWA Recreation and Fitness Centre

### Safety & Hygiene Practices (COVID-19 Impact)

We are putting in place extra hygiene and safety practices to ensure all our participants, families and staff members stay safe and healthy. Below outlines the practices we will be implementing to ensure we operate in a safe and controlled environment.

- Spectators, including parents and guardians, are asked to drop off and pick up children in the time periods outlined on the activity schedule. We ask that this is done promptly and without delay in our venues, to support social distancing practices.
- Hand sanitisers will be available in prominent places throughout our venues and all participants in the program are encouraged to use it before and after each sport activity throughout the day.
- Sharing of sporting equipment will be limited, and all equipment used in activities will be cleaned and disinfected.
- Activities will be located across multiple venues in an open-spaced setting, whereby limiting the amount of people in confined areas.
- The program will operate in a cashless environment, where no cash handling will take place at the UWA Recreation and Fitness Centre.
- Designated toilet facilities will be assigned to the program for children use only.
- All children, parents/guardians and staff attending the program **MUST NOT ATTEND** if they: have any flu-like symptoms; have been in direct contact with a known case of COVID-19 in the past 14 days; have travelled internationally or have been in direct contact with a known case of COVID-19 in the past 14 days, and/or are at a high risk from a health perspective, including the elderly and those with pre-existing medical health conditions.  
UWA Sport encourages the use of the COVIDSafe app during our programs and throughout our venues.

### How to Enrol

Standard enrolments for the Winter Kids Holiday Program open Tuesday 8 June. To enrol please visit [here](#) click on the "enrol online" button and follow the prompts. All enrolments need to be completed online, at least 24 hours before each day of the program. This program is subject to the UWA Sport Program [Terms and Conditions](#) Cashless payments will be mandatory for the program.

*\*Please ensure you are using a desktop or laptop computer to enrol*

Summit Climbing-Malaga and City West

west@summitclimbing.com.au

School Holidays  
Climb between Saturday 3 and Sunday 19 July and you will

KIDS CLIMB ALL DAY

for just \$16\*

Malaga - \*price includes harness hire & parents belay for free  
CITY WEST - \*best suited for ages 12+ however all ages are welcome.  
Parents must supervise any children under 12.

### Kids climbing courses

Could your child benefit from learning skills to be a better climber? Could they benefit from improving their co-ordination, communication and team work abilities? Maybe you are looking for a unique activity that is a heap of fun?

The Winter holidays are usually pretty wet so it's the perfect time for an indoor climbing course.

### School holiday program - 3 day course

Monday 12 - Wednesday 14th July

8:30 - 11:30am daily

Your child can enjoy a unique experience and have a heap of fun learning to rock climb. Our Instructors will teach your child skills for climbing, help them build confidence and learn about team-work. This course is great fun for girls and boys ages 6 – 12.  
Drop your child off or watch from the lounge.

The school holiday climbing course is a great opportunity to test if your child would enjoy one of our term programs and is the perfect stepping stone to start climbing weekly and reap the benefits of a regular climbing practice. Regular climbing will help your child by developing their overall strength, co-ordination and build their confidence as they learn how to set goals, achieve them and then set more goals; improving and growing with each step.

Climbing is a great activity to share with your child. Connect and enjoy a recreation activity that involves trust and communication. Pay as you climb or take up a Parent Memberships for just \$100 per term. Available exclusively to parents of enrolled children in one of our Youth Courses (term based). We have many 'climbing families' that are part of our community and it's great to watch both children and parents grow and develop through climbing.

## Schools Make Music Concert at the Crown Theatre

Attention all students from the **Year 5 and Year 6 Takari Rock Bands** and the **Stirling Community Youth Band!**

WAGSMS have allocated a date for our performance in the 2021 concert series.

**Thursday night 12 August (Week 4 of Term 3)**

There will also be a rehearsal during the day. Tickets are available at [www.ticketmaster.com.au](http://www.ticketmaster.com.au) ( search for Schools Make Music) or call on 136 100.  
Tickets are selling fast and are open to everyone, not just parents of band members.

Mrs Campione, Music Specialist
