NEWSLETTER #19

Week 8 Term 4

Thursday 2 December 2021

PRINCIPAL'S MESSAGE: With just two weeks to go before the end of the school year, staff and students are very busy finishing off work and preparing for the numerous end of year activities. Along with the end of year concert, graduation assembly and parent helpers' morning tea, there is a staff v students basketball match, Takari's Got Talent show, numerous class parties and even a cheeky Elf on the Shelf, appropriately named Elfred, who is popping up in the most unusual places every morning. There is always so much going on at Takari!

The school is currently planning for 2022. The final class structure is dependent on the number of students in each year. While straight year level classes are mostly preferred over composite classes, they are not always possible to create without going over maximum student numbers in classes. Composite classes also allow for greater flexibility when grouping students based on academic and social needs.

With an expected student enrolment of 180 students, the school is planning to operate the following structure:
 K (20 students) PP (19) Yr 1 (21) Yr 1/2 (22) Yr 2/3 (23) Yr 3/4 (23) Yr 4/5 (26) Yr 5/6 (26)

It is important to note that this structure is based on expected enrolments now. Additional enrolments coming in between now and the start of next year, or students leaving the school, could affect this structure. School staff will be developing class lists based on the above structure. The staff are in the best position to develop the classes and determine which class would most suit students. Academic ability is not a determining factor when staff develop class lists.

Parents may have additional information that could assist staff in determining class lists. If parents have any information or requests regarding their child's class next year, they should provide this in writing to Mr Tennant. All requests will be considered, but can not be guaranteed. Teachers have not yet been allocated to classes.

David Tennant

MR PATTERSON IS GETTING MARRIED: Yes, Mr Patterson is getting married! The Takari school community wishes Mr Patterson and Alison all the best on their big day next week. Mr Patterson will be taking a few days' leave from school next week, but will return for week ten and the graduation assembly.

LAST NEWSLETTER: The final newsletter will be produce and distributed early in week 10.

SCHOOL COUNCIL FINAL MEETING: The School Council held its sixth and final meeting of the year on Monday. While many of the Councillors are only recent additions, Mr Shin Ching Fu has now completed his third and final year of service. The community is very fortunate to have had Mr Fu represent them over the past three year. As Chairperson this year, Mr Fu brought a very positive and considered approach to meetings, and always put the best interests of the school first. We thank him for his service and hope he will consider re-nominating next year for another term. We thank all the School Councillors on their efforts and commitment this year.

SEMESTER TWO REPORTS: Will be emailed to parents/guardians on Monday 13 December. Please look out for these. You will need to print or save a copy as the electronic link is only valid for 4 weeks. If you have changed your email recently please make sure the school has your current email address.

COLOUR RUN: Congratulations to the students in the 50 and 100 club for raising over \$50 and \$100 in the recent P&C Colour Run. Certificates were given to students at last week's assembly. Well done!

PARENT HEPLERS' AND VOLUNTEERS MORNING TEA

The school sincerely thanks the many parents, grand parents and friends who volunteer to help make Takari such a great school. The helpers' morning tea is Thursday 9 December in the undercover area at 10.50am. You will be entertained by the school bands on the *new stage* and also see the very recently installed swing.

SCHOOL BANKING CLOSING: The school banking has been operating for many years. Due to new regulations, School Banking can no longer operate and will finish at the end of this school year. Sincere to the parents have operated the School Banking over the pass years and particularly thank you Meaghan Sykes and Anne-Marie Hagan for coordinating School Banking this year.
