NEWSLETTER #15

Week 9 Term 3

Wednesday 15 September 2022

PRINCIPAL'S MESSAGE: Takari has many amazing, dedicated staff, who work hard to provide the best possible educational outcomes for their students and the school. In a new initiative this year, the School Council will be acknowledging staff for the positive impacts they make, and award one staff member the inaugural Takari PS Education Award. Mrs Farrow, School Council Chairperson, sent out information on the acknowledgements and award earlier this week, and I strongly encourage parents to take five minutes to complete an acknowledgement. All staff members (teachers, education assistants, office staff, cleaners etc ...) can all be acknowledged, and will receive a Certificate of Appreciation, while the Education Award will be presented at the Pre-primary assembly on Thursday 27 October. Just follow the link below. Thank you for supporting this important initiative.

David Tennant

2022 Takari PS Acknowledgement of Staff and Inaugural Education Award

Dear Takari School Community

We have a lot of amazing staff at Takari Primary School, and the School Council would like to acknowledge them and let them know the school community is appreciative of their efforts. To do this, we need your assistance.

Over the next two weeks, parents will have the opportunity to acknowledge staff they believe have made a positive impact at the school. You can acknowledge any staff members, including teachers, education assistants, office staff, gardeners or cleaners. The process to acknowledge staff members is easy, just follow the link below.

*All staff acknowledged over the two week period will be presented a special **2022 Takari PS Certificate of Appreciation**.*

*The School Council will look at all the acknowledgements and choose one staff member to receive the inaugural **2022 Takari PS Education Award**, which will be presented at the Pre-primary assembly 27 October, the day before the official World Teachers' Day.*

I strongly encourage you to take the time and acknowledge a staff member or members and give them the recognition they deserve.

The link is open now until Friday 23 September.

Thank you for your time.

Tracey Farrow
Chairperson
Takari School Council
12 September 2022

PUBLIC HOLIDAY THURSDAY 22 SEPTEMBER: The Prime Minister has announced that there will be a public holiday as a national day of mourning for the late Queen Elizabeth II next Thursday 22 September. Students return on Friday 23 September, which will be the final day of the term before the holidays.

STUDENTS NOT RETURNING NEXT YEAR: The school is currently planning for 2023 and it is important the school has accurate information. Please contact the school as soon as possible if your child/ren will not be attending Takari PS next year.

EARLY CHILDHOOD VEGETABLE GARDEN: A group of enthusiastic parents will be preparing the garden beds in the Kindergarten and Pre-primary area next week in preparation for planting vegetables and flowers. If K and PP parents can spare some time, their assistance would be greatly appreciated. If we get everything planted next week, the students will be enjoying fresh salads with their lunches next term.

Tuesday 20 September
Wednesday 21 September

2:00pm to 3:00pm
8:50am to 9:45am

Preparing beds, bring gloves and a shovel
Planting with the students

If you are able to assist, please contact Mrs Wilson or Miss Goodwin via SeeSaw.

NAPLAN REPORTS: In May of this year, national literacy and numeracy (NAPLAN) tests were administered to students in Years 3, 5, 7 and 9 throughout Australia. Students were tested in Reading, Writing, Spelling, Language Conventions and Numeracy.

Individual student reports will be distributed to parents this week. These reports show each student's achievement compared with other Australian students and those of other students at Takari. More accurate data on student achievement and progress can be obtained by making an appointment and talking with the respective class teachers.

Staff will be analysing the NAPLAN data and making plans to address any areas of concern at the School Development Day on Monday 10 October. A summary of this data will be presented to the School Council and published in a future newsletter.

SCHOOL DEVELOPMENT DAY: Parents are reminded the school has a School Development Day on Monday 10 October - the first Monday of Term 4. Students do not attend on this day. Staff will be engaged in school planning and professional learning workshops. Students return for the new term on Tuesday 11 October.

EDUDANCE: EduDance will commence in Week 1 of Term 4, notes have been distributed. The students will present their item at the End of Year concert on Tuesday 6 December. Please pay \$45 per child by Tuesday 20 September. Thank you to all the parents who have already paid.

STUDENTS ARRIVING AT SCHOOL BEFORE 8:30pm: There are an increasing number of students arriving at school well before classes open at 8:30am. Recently we have had students arriving as early as 7:30am. Students should aim to arrive at school around 8:30am, when classrooms open. Students arriving before 8:30 are required to sit quietly in the old undercover area.

Yr 2 ASSEMBLY: Congratulations to Miss Coad, Mrs Hill, Miss Harper and all the Yr 2 students on their outstanding assembly last week. The theme of the assembly was Personal Best and we heard what personal best meant to every student. Personal best means you don't give up when something goes wrong. Get back up and try again! The audience was also entertained by the students' energetic dance to the song *Never Give Up*. The next assembly will be presented by the Pre-primary class in week 3 next term.

GAMING WITH GRANDIES: Tomorrow, Thursday 15 September we are inviting Grandparents to come in and play board games with the students. No RSVP is required, just come to the office at 2.00pm and the student councillors will escort you to the classrooms.

TEAM TAKARI

The Takari students are learning about a very important life skill – teamwork.

What is teamwork? Teamwork is working together (cooperating) with others to get to an end goal.

When do we use teamwork?

- In team games at the carnivals
- When playing Maths games
- When working with a partner
- When cleaning the classroom
- When working on group activities
- When playing games at recess and lunchtime
- Playing games with our Grandies this Thursday**

Magpie swooping season: Learning to live alongside wildlife is an important step towards building a better living environment. The City of Stirling would like to remind the community to take extra care when outdoors during magpie nesting season from August to November. Please be aware magpies may swoop to protect their young during this time.

Magpies usually swoop from above and fly low and fast over a person, often snapping their beaks as they pass overhead. However, instances where magpies swoop from below or ground level have also been reported. Magpies are a protected native species in Australia and removing their nest is illegal and may cause nestlings to starve or freeze to death or result in the breakdown of the magpie tribe.

To report a swooping incident within the City of Stirling, phone (08) 9205 8555.

The following tips will help you stay safe and reduce the impact of a swooping magpie

- Look out for any caution signage placed in our parks and reserves, stay clear of nesting sites and plan alternative routes
- Do not provoke magpies as they swoop to protect their young
- Wear sunglasses, a wide brimmed hat (especially kids) or carry an umbrella
- Travel in groups if possible as the birds often target individuals
- If you are riding a bike, dismount and walk through nesting magpie territory
- If you are swooped by a magpie, stay calm, walk away but do not run, and avoid looking towards the swooping birds.

Parent and carer webinars

2022

2022 schedule

eSafety's free webinars provide parents and carers with the knowledge, skills and tools to support children to have safe, positive online experiences.

Our live webinars for parents and carers attracted record attendance numbers in 2021. To meet the growing demand, our education and training team is expanding the program in 2022 to include more dates and topics to support school communities.

Each month, we will present either a new webinar topic or a video with simple tips to keep young people safe online.

HIGH SCHOOL TRANSITION WORKSHOP

This term, we will be offering a workshop for caregivers of with children who will be going to high school between 2023-2025 (in Year 4-6 this year). This workshop is for caregivers of children who are likely to need extra supports or accommodations with this transition.

It will focus on the things to consider when choosing a school for your child and suggestions for communicating with future schools. It is important to start thinking about this early in the year, to help you make a well informed choice, and give your child the best possible start to their high school life.

This workshop is just for caregivers to attend. In term 4, we will also be offering a high school transition groups for children in Year 6 to attend, to meet other children the same age, and learn more about what to expect in high school.

Dates/days: Thursday September 15th

Time: 10-11:30

Location: Osborne Park clinic

Cost: \$80
