NEWSLETTER #10 Week 9 Term 2 Wednesday 25 June 2014

PRINCIPAL'S MESSAGE: As we come to the close of another term, we say goodbye to two staff members. Mr Allan's six month contract will finish and he is busy preparing for a 3 month trip around Europe. Mr Allan has been a real asset to the school and will be missed by the school community, but in particular students in the Year 6/7 class. Everyone is very jealous of Mr Allan's adventure and can't wait to see the photos when he returns.

Miss Palioudakas has been an Education Assistant in the Pre Primary this term has done a fantastic job supporting the staff and students in the classroom. Miss Palioudakis leaves to take up a permanent position at Somerly Primary School starting next term.

On behalf of the staff, students and parents, I would like to thank Mr Allan and Miss Palioudakis for their significant contributions to Takari Primary School and wish them well in the future. The school and DoE are still working through a process to appoint their replacements, which should be known before the end of the term.

David Tennant

YEAR 6/7 ASSEMBLY: Congratulations to Mr Allan and the Year 6/7 students on the presentation of last week's assembly. The audience was kept entertained with a series of skits on idioms. The English language is certainly strange when we tell someone to 'break a leg' when we wish them good luck.

NEXT ASSEMBLY: The Year 3/4 class will present next Friday's assembly commencing at 9.00am.

SEMESTER ONE REPORTS: Reports will be distributed to students on the last day of term - Friday 4 July. Kindergarten groups will receive their reports earlier on the Wednesday or Thursday.

P&C EVENTS: The P&C are coordinating two special fundraising events - the Lapathon on Wednesday 2 July and the Krispy Kreme doughnut sales. Please support these two events. All money raised will go directly into much needed resources for the students. Your support is very much appreciated.

START OF TERM THREE: All parents are advised that staff will be participating in school development activities on the first day back next term. Students will return on the following **TUESDAY 22 JULY**.
